POWER AGAINST COFFIN SPIRIT OF "EMBER" (September – December) MONTHS

There are terrible ancestral spirits that pursue victims relentlessly with thoughts of death, personal destruction, suicide, and a completely negative view of life. These ancestral spirits program and activate sorrowful events and tragedies that result in destruction of life and property. They sweep off promising lives and plans in one full swing of tragedy. These spirits are blood thirsty and kill without mercy. When plagued by these spirits, dreams of dead persons, funerals, coffins, and cemeteries, will be a common occurrence. The general life will be a living corpse. The victim will not operate in the right position in life but will always operate at the tail region. In many situations, these victims are walking time bombs, waiting to explode. In light of the statements above, it is pertinent to note that the world is in its perilous times now. Evil machinations and strange things are happening around us at a fast pace at this point in time. However, if you are expecting God's deliverance from the hands of the enemies of your soul and you have not given your life to Jesus, you are likely to be the hindrance. Therefore, I counsel you to cry unto him and say this simple prayer with faith:

"Lord Jesus, I have come before you at this hour, I know you are the only one that can deliver me from the hands of coffin spirit. I confess my sins to you, Lord Jesus, deliver me. I am sorry for living my life outside your will. O Lord, come into my life right now and help me to serve you to the end. In Jesus name. Amen. "

Beloved, there is need to bombard the coffin spirit with the artillery of prayers listed below. Concentrate, and be aggressive while praying the prayer, on a daily basis throughout the "EMBER MONTHS" (SEPTEMBER – DECEMBER). I pray that the Almighty God will deliver us from every evil work of the coffin spirit in Jesus Name. Amen!
